If you can't go out because you are elderly, vulnerable or self-isolating and need ANYTHING (prescriptions collecting, dog walking, shopping collecting from somewhere, loo rolls, information or advice etc) then please don't hesitate to contact your neighbourhood volunteer or our hotline and they will help you or point you in the right direction.

If they can't immediately help you, we have an army of volunteers who can!

But....

Never give anyone your bank card or card details, we will NOT ask you for this

Don't pay up front unless you know or trust the person helping you

We will not ask to come into your home and shouldn't really (unless you absolutely need us to)

If anyone comes to your door or phones you that is not your neighbour above (and you don't know them), please be cautious.

Stay Safe Everyone
